Join us for an important evening of updates and opportunities for your community.

This event is designed for all Town and Parish Councillors to stay informed and connect with others across Teignbridge.

What's on the agenda?

- One Teignbridge – working together for stronger communities
- The new Town and Parish Council Charter - promoting trust, shared best practice, and empowered community decision making
- Community Infrastructure Match Fund – funding opportunities for local projects
- Community resilience – developing your response to local emergencies
- Teignbridge Community Network – building collaboration and peer support opportunities
- Planning Forums and Drop-in Sessions – providing training and updates on planning matters and hands-on support for infrastructure and neighbourhood planning

Why attend?

- Discover what's happening across Teignbridge
- Learn about new opportunities for your community
- Connect with fellow councillors and share knowledge
