

Grant Awarding Policy

1. Purpose of the Policy

Moretonhampstead Parish Council provides grants to support projects that deliver clear benefits to the Parish and its residents. Grants are awarded from limited public funds and must therefore be used responsibly, transparently, and in line with this policy.

The Council awards grants to support community-led initiatives that align with the Council's priorities and contribute positively to life in the Parish.

A grant is defined as any payment made by the Council to an organisation for a specific purpose that benefits the Parish, where the activity is not directly controlled or administered by the Council.

For the budget year 2026/27, the Council has allocated a grant budget of £2,000.
